

10 good reasons to invest in the province of Luxembourg

WOOD

1

Densely wooded area with 230,000 hectares under forest

2

Home to many businesses active from end to end of the wood industry

3

Leading wood companies include Fruytier, IBV, Pauls, Burgo Ardennes, Spanolux, Scidus-Groupe Mobic, Lamcol, Paletterie François, etc.

4

Availability of large, competitively priced tracts of land in a 100 hectare bimodal rail-road hub

5

Extensive promotion of products from the sawmill sector (resinous and deciduous)

6

Opportunities for new companies in second-stage and third-stage wood processing

7

Highly skilled labour force and large number of training centres: Forem, Wallonia's specialised wood industry training facility, HERS (Bachelor's degree in Wood Construction), future skills centre in Arlon, etc.

8

Collaboration with the Office Economique Wallon du bois

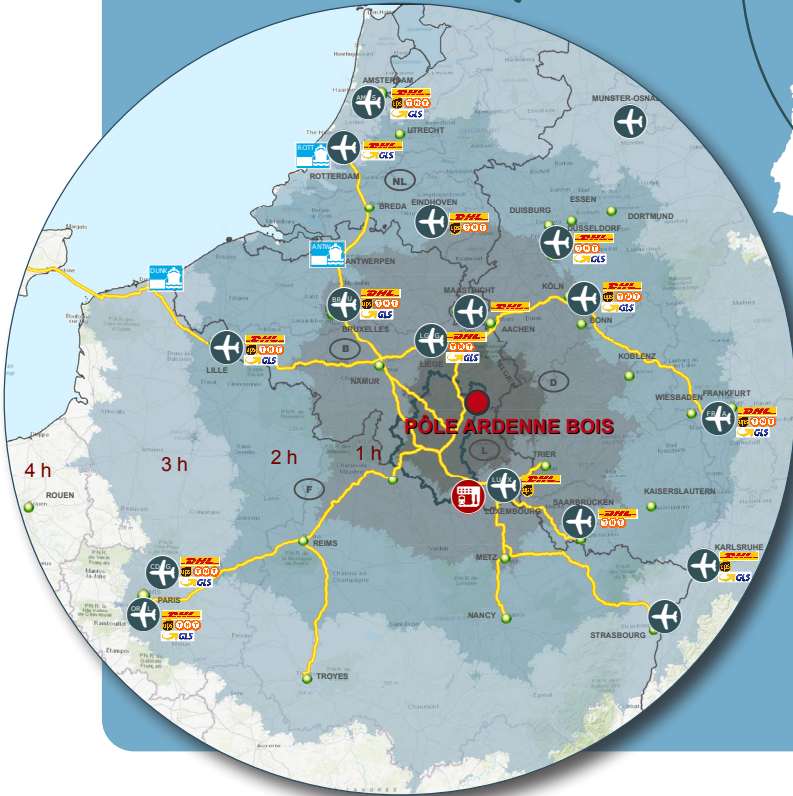

9

Good labour relations and business-friendly environment

10

Single agency: one-stop-shop offering financing, venture capital, management of authorisations and permits, investment and innovation advice, etc.
